1. (U) Horn of Africa - Piracy Events Over the Past Week

(U) Pirate and maritime crime activity in East Africa waters is at a low level. One suspicious event from the previous week was reported.

A. (U) Details:

   (U) Vessels Hijacked: No incidents to report.

   (U) Vessels Boarded: No incidents to report.

   (U) Vessels Fired Upon/Attempted Boardings: No incidents to report.

   (U) Other Activity:

   1. (U) RED SEA: On 8 April, a vessel's embarked security team fired warning shots after three white-hulled skiffs, each with seven to eight persons on board, approached the ship in the Bab el Mandeb off Yemen. Weapons were sighted on two of the skiffs as they approached. The vessel attempted to contact a coalition war ship, although it received no answer during the incident. The shots were fired after crew mustered and other anti-piracy measures failed to deter the skiffs, which came within 150 meters of the vessel. The vessel and crew were reported as safe.
