JOB SUMMARY

The incumbent will fill an General Engineer, Interdisciplinary position within the Undersea Sensors Division of the Farragut Technical Analysis Center at the Office of Naval Intelligence in Suitland, MD, where you will perform all-source intelligence analysis of foreign acoustic sensors and sonar systems, participating in all aspects and phases of the research and analysis/capability assessment/performance modeling/production processes with an emphasis on encouraging collaborative efforts at all analytical levels.

SPECIFIC DUTIES

- You will serve as an Entry-Level, all-source intelligence analyst performing intelligence analysis work related to foreign naval acoustic sensors/sonar systems and associated display and processing equipment.
- You will help formulate the organization's positions to include addressing analytical challenges against understanding foreign naval acoustic sensors/sonars and related technology.
- You will apply engineering and mathematical skills to contribute to engineering assessments of the assigned platforms and/or systems.
- You will learn the identification of intelligence gaps and the appropriate collection solutions to fill those intelligence gaps.
- You will learn all aspects and phases of the research and analysis/capability assessment/performance modeling/production processes for products addressing foreign acoustic sensor/sonar systems and related technology, from concept initiation through product review.

Dept. of Navy – Naval Intelligence
GG-0801-7/9, General Engineer

SPECIALIZED EXPERIENCE & MINIMUM QUALIFICATIONS

Applicants must have directly applicable experience that demonstrates the possession of the knowledge, skills, abilities and competencies necessary for immediate success in the position. Qualifying experience may have been acquired in any public or private sector job, but will clearly demonstrate past experience in the application of the particular competencies/knowledge, skills, and abilities necessary to successfully perform the duties of the position. Such experience is typically in or directly related to the work of the position to be filled. Qualifying experience is demonstrated through the following competencies:

- Acoustics
- Engineering
- Modeling and Simulation
- Computer Science
- Mathematics

In addition, individuals must meet the Office of Personnel Management (OPM) qualification standards of 1 year of specialized experience equivalent to the next lower grade level to the position filled and any Individual Occupational Requirements (IOR) for the series/grade selected as identified within the standard. For further details on the specific occupational series requirements, please go the following link: <https://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/#url=List-by-Occupational-Series>

CONDITIONS OF EMPLOYMENT

- You must be a US Citizen
- New employees to the Department of the Navy will be required to successfully pass the E-Verify employment verification check. To learn more about E-Verify, including your rights and responsibilities, visit www.dhs.gov/E-Verify/.
- Selectee must be determined suitable for federal employment
- Selectee may be required to successfully complete a 2-year trial period
- Selectee is required to participate in the direct deposit pay program
- Selectee may be required to successfully complete a polygraph examination
- Selectee must complete a Special Background investigation and receive a favorable adjudication by a determining authority. You must obtain and maintain a Top Secret security clearance and access to Sensitive Compartmented Information (SCI). Failure to do so may result in the withdrawal of an offer or removal. Indicate the level and date of your clearance in your resume.
- Successful completion of a pre-employment drug test (including marijuana) is required. A tentative offer of employment will be rescinded if you fail to report to the drug test appointment or pass the test. You will be subject to random testing.
- You must acknowledge in writing that you are accepting an appointment in the DCIPS (excepted service) which does not confer competitive status, prior to appointment.
- Within the Department of Defense (DoD), the appointment of retired military members within 180 days immediately following retirement date to a civilian position is subject to the provisions of 5 United States Code 3326.
- Males born after 12-31-59 must be registered for Selective Service
