4. (U) Details: Monthly Incidents by Region

(U) This section lists reports of active violence against shipping, credible threats to shipping, or the potential for a situation to develop into a direct threat to shipping over the last 30 days. Every effort is made to ensure that incidents are not double-counted. In the event double-counting is detected, or an incident is later found to be different than initially reported, an explanation of the cancellation of the inaccurate report will be made in at least one message prior to dropping the erroneous report.

A. (U) NORTH AMERICA: No current incidents to report.

B. (U) CENTRAL AMERICA - CARIBBEAN - SOUTH AMERICA:

1. (U) HAITI: On 17 May, up to 12 robbers armed with machetes boarded the anchored Liberia-flagged tanker TOSNA STAR off Port-au-Prince at 18:34N – 072:24W. During a 30-minute period, the robbers threatened the Argentine crew members before departing with stolen mobile phones and ropes. (Clearwater Dynamics, Maritime Executive)

2. (U) HAITI: On 10 May at approximately 0200LT, the crew of a berthed bulk carrier noticed a missing aft mooring line at Lafiteau Port at 18:41N - 072:21W. The crew searched the vessel, but were unable to locate the robber. The crew notified port control, agents, and terminal authorities, which resulted in a search of the port area around the vessel. (IMB, Clearwater Dynamics)

C. (U) ATLANTIC OCEAN AREA: No current incidents to report.

D. (U) NORTHERN EUROPE - BALTIC: No current incidents to report.

E. (U) MEDITERRANEAN - BLACK SEA: No current incidents to report.

F. (U) WEST AFRICA:

1. (U) REPUBLIC OF CONGO: On 29 May at 2250LT, a speedboat with 10 armed and masked men approached an offshore platform approximately 50 NM northwest of Pointe Noire, Republic of Congo at 04:25S - 011:02E. The crew informed management and retreated to the engine room. A rescue team responded and determined the speedboat had departed the area prior to its arrival. (Clearwater Dynamics)

2. (U) DEMOCRATIC REPUBLIC OF THE CONGO: On 25 May at 0545LT, a robber boarded the anchored Hong Kong-flagged container ship MAERSK REGENSBURG at Banana Anchorage at 06:01S - 012:20E. The duty crewmen raised the alarm when the robber was spotted removing a lashing from the deck. After being detected, the robber fled in a small boat, powered by an outboard motor. The crew subsequently searched the vessel and found nothing missing. (Clearwater Dynamics, Dryad Global)

3. (U) NIGERIA: On 23 May, 12 armed men in two speedboats ambushed a passenger vessel transiting from Bakana to Degema, River State in the Niger Delta at 04:44N - 006:54E. Four of the passengers were police officers. When the armed men opened fire on the vessel, the policemen initially returned fire. In the end, the boat driver and three of the policemen jumped into the water and swam to safety. The armed men subsequently attacked the remaining policeman and threw him into the water before departing the area with two civilian hostages. (Clearwater Dynamics)

4. (U) NIGERIA: On 20 May at 1730UTC, seven heavily-armed pirates attacked and boarded an underway general cargo vessel approximately 142 NM southwest of Brass, Nigeria near position 02:14N - 005:05E. The crew retreated into the citadel and contacted the owners and IMB PRC. The IMB PRC immediately started liaising with the Nigerian Authorities and requested for assistance. Two Nigerian naval vessels responded. By the time the naval vessels arrived on the scene, the pirates had departed the area. The crew emerged from the citadel, and the naval vessels remained alongside the ship until daylight to ensure safety and security. The pirates stole ship's equipment before disembarking. (IMB, Clearwater Dynamics, MDAT-GOG, Dryad Global)

5. (U) IVORY COAST: On 16 May at 0700LT, ten pirates hijacked the Ivory Coast-flagged fishing vessel HAI LU FENG 11 near position 04:09N - 003:56W, approximately 65 NM south of Abidjan. The Nigerian authorities subsequently deployed the Nigerian Navy Ship NGURU and Special Boat Service to intercept and rescue the hijacked fishing vessel. The vessel crew consisted of 8 Chinese, 7 Ivorians, and 3 Ghanaians. (Clearwater Dynamics; www.fcwc-fish.org, Maritime Executive)

6. (U) BENIN: On 14 May, individuals in two skiffs approached an underway Italy-flagged ro-ro vessel approximately 106 NM south of Cotonou near position 04:34N - 002:29E. The Master increased speed and altered course, which resulted in the two vessels moving away. One skiff came to within 2.5 NM of the vessel. (Clearwater Dynamics)

7. (U) GUINEA: On 13 May, four robbers boarded a bulk carrier anchored near position 09:16N - 013:46W, approximately 15 NM southwest of Conakry. The robbers stole money and valuables before departing. (Clearwater Dynamics)

8. (U) GHANA: On 11 May at 0345 UTC, robbers boarded a cargo vessel berthed at Takoradi Port at 04:53N - 001:44W and stole a life raft. (Clearwater Dynamics, MDAT-GOG)

9. (U) EQUATORIAL GUINEA: On 9 May at 0300LT, armed individuals in a speedboat boarded the Equatorial Guinea-flagged research/survey vessel DJIBLOHO anchored at Luba anchorage at 03:28N - 008:33E. The armed individuals kidnapped three crew members, reportedly two Russians and one Equatorial Guinean. (Clearwater Dynamics, Seatrade Maritime News, defenceWeb)

10. (U) EQUATORIAL GUINEA: On 9 May at 0300LT, armed individuals in a speedboat approached and boarded the Comoros-flagged general cargo vessel RIO MITONG off Malabo at 03:47N - 008:45E. The armed individuals kidnapped two crew members; unconfirmed reports indicate the hostages were a Russian and Ukrainian. Two crew members that were not kidnapped suffered gunshot wounds. Following the incident, the vessel moved into the Malabo Anchorage. (Clearwater Dynamics, Maritime Executive, defenceWeb)

11. (U) CAMEROON: On 9 May at 0045LT, individuals in a speedboat approached the underway China-flagged tanker YUAN QIU HU approximately 40 NM west of Limbe at 04:05N - 008:33E. The crew informed authorities who sent a patrol boat to assist the tanker. Upon seeing the patrol boat, the individuals in the speedboat aborted the pursuit. (Clearwater Dynamics, Splash 247)

G. (U) ARABIAN GULF: No current incidents to report.

H. (U) INDIAN OCEAN - EAST AFRICA - RED SEA:

1. (U) ERITREA: On 20 May at 0430LT, the Captain of a tanker transiting north in the Red Sea spotted two high-speed skiffs approximately 48 NM southwest of Hodeidah Port, Yemen near position 14:24N - 042:11E. When the skiffs changed course to intercept the tanker, the Captain changed course and increased speed. The skiffs approached to within .5 NM during the incident. There were seven individuals onboard each skiff carrying objects, possibly weapons. The skiffs also had black flags with white Arabic letters. The skiffs passed the tanker's starboard side and continued clear of the vessel stern. The individuals in the skiffs made no attempt to board or chase the tanker. (Clearwater Dynamics)

2. (U) YEMEN: On 17 May, armed individuals in two skiffs approached and fired upon the British-flagged chemical tanker STOLT APAL 75 NM southeast of Mukalla near position 13:43N - 050:37E. "After multiple warning shots were fired by the armed guard team aboard STOLT APAL, the skiffs opened fire on the ship. The armed guard team returned fire, disabling one skiff and ending the pursuit," according to a company spokesman. (Maritime Executive, Clearwater Dynamics; gCaptain, Dryad Global)

3. (U) MOZAMBIQUE: On 10 May at 2250LT, a robber boarded a tanker during cargo operations at Nacala Anchorage at 14:30S - 040:39E. When spotted by the crew, the robber fled empty handed to a waiting boat with two other individuals. The incident was reported to Port Control. (IMB, Clearwater Dynamics)

I. (U) EAST ASIA - SOUTHEAST ASIA:

Figure 2. Southeast Asia Piracy and Maritime Crime

1. (U) INDONESIA: On 2 June at 1900LT, two robbers in a small boat approached and boarded a bulk carrier anchored at Muara Berau Anchorage at 00:15S - 117:36E. The robbers used ropes with hooks to board the vessel. Once onboard, they managed to gain access to the forecastle store before being detected by the crew. The robbers fled empty-handed. (Clearwater Dynamics, IMB)
2. (U) INDONESIA: On 29 May at 0420LT, a duty crew member on routine rounds noticed the forecastle skylight open and anchor pipe cover and padlock missing on his bulk carrier anchored at Muara Berau Anchorage at 00:16S - 117:36E. The crew subsequently conducted a search and discovered a robber had managed to steal ship's stores. The crew reported the incident to the Coast Guard who responded and conducted an investigation. (IMB, Clearwater Dynamics)
3. (U) INDONESIA: On 22 May, robbers boarded a yacht off Sumatra at 03:58S - 105:53E. The robbers stole navigation equipment, radios, cell phones, cooking utensils, passport, and ship's equipment. The South Sumatra Regional Police responded and succeeded in locating the stolen items on 27 May. The suspects are still at large. (IFC MARSEC Weekly Report)
4. (U) VIETNAM: On 22 May at 0130LT, a crew member following a cargo operation discovered a theft had occurred on the anchored Liberia-flagged bulk carrier BALTIC COVE in the Campha Anchorage at 20:57N - 107:18E. The crew member discovered some hose nozzles in a drum near the paint store. A subsequent inspection revealed a hoisting wire was also missing from the bosun store. The incident was reported to the local agent. (ReCAAP, Clearwater Dynamics)
5. (U) INDONESIA: On 18 May at 0225LT, three robbers in a small boat approached and boarded a tanker anchored in the Merak Anchorage near position 05:54S - 105:59E. The robbers were armed with long knives and climbed onboard using a ladder. Once onboard, they broke into the steering gear room. When the crew spotted the robbers, they raised the alarm and mustered. The robbers subsequently fled with stolen engine spares. The crew informed port authority of the incident. (Clearwater Dynamics, IMB)
6. (U) MALAYSIA: On 18 May at 0400LT, robbers in a wooden fishing boat approached and boarded an accommodation work barge under tow approximately 6 NM South of Batu Pahat Coast, Johor, Malaysia near position 01:38N - 102:57E. When the Duty Officer on the tug noticed the small boat approaching the barge, he raised the alarm and notified the Coastal Vessel Traffic Service. When three robbers from the boat boarded the barge, the crew directed a searchlight at the small boat resulting in the boat departing with the robbers still on board the barge. The small boat subsequently returned to collect the robbers before departing again. The crew has not determined if any items were stolen from the barge. The crew informed the Malaysian Coast Guard of the incident. (IMB, Clearwater Dynamics)
7. (U) INDONESIA: On 18 May at 2247LT, three robbers boarded the supply boat WINPOSH RESOLVE while under tow by the Indonesia-flagged tug boat SMS SANGATTA approximately 2.1 nm northeast of Pulau Nongsa, Indonesia, south of the Traffic Separation Scheme in the Singapore Strait near position 01:13N - 104:06E.
