#### JOB SUMMARY

Serves as an intelligence specialist performing tasks regarding the analysis, evaluation, collection, interpretation, or dissemination of information and/or products to meet Naval Fleet requirements. The positions are located within the Naval Warfare Department (NWD) providing detailed analysis of naval warfare threats posed by foreign weapons systems and countries of interest. NWD provides this dedicated, Fleet focused support via four functionally aligned divisions – SABER (surface warfare), SPEAR (air warfare), SWORD (undersea warfare), and SPECTRUM (cyber/electronic warfare/C4ISR).

#### Specific Duties

- Communicates effectively orally and in writing, to include the capability to convey complex operational, technical, and/or political-military concepts; develops and effectively employs multimedia presentations to this end.
- Effectively applies extensive knowledge of advanced research methodologies and analytical techniques and/or collection management systems to complex work assignment.
- Draws on broad expertise to effectively interact with senior intelligence community/industry/other analysts and/or experts in assigned discipline(s)/focus area(s); coordinates effectively with foreign counterparts.
- Has detailed knowledge of the Intelligence Community (IC) including the interactions and responsibilities of the major components such as DIA, NSA, etc.
- Possesses broad-based, expert knowledge of assigned discipline/focus area, its customer base, and attendant requirements, and makes effective/innovative use of product line/vehicles available to satisfy requirements.

#### Specialized Experience & Minimum Qualifications

Applicants must have directly applicable experience that demonstrates the possession of the knowledge, skills, abilities and competencies necessary for immediate success in the position. Qualifying experience may have been acquired in any public or private sector job, but will clearly demonstrate past experience in the application of the particular competencies/knowledge, skills, and
